

TEST DRIVE A ULR MOUNT AT WANDIN PARK

ULR Land Rovers and Range Rovers will be available on the day for you to take on your own personal cross-country trial. 4WDs with: The strength of a draughthorse ...

the sure-footedness of a stock horse ...

the grace of an Arab stallion ...

the temperament of a Hanoverian mare ...

and the breeding of a thoroughbred.

Experienced 4WD specialists from ULR will be on hand at the ULR marquee with information on the full range of Land Rovers and Range Rovers.

Don't miss the fun of the Celebrity Race, where some surprise personalities will tow horse floats behind ULR Land Rovers through witches hats, around obstacles and even over jumps.

Come up and chat to us about your 4WD needs. ULR supply and service Land Rovers and Range Rovers exclusively. They're all we carry, so we have to know our stuff. Perhaps that's why we're Australia's No. 1 for Land Rover and Range Rover.

THE LAND ROVER AND RANGE ROVER SPECIALISTS

Welcome to the Landrover Wandin Park Horse Trials

At home at Gatcombe Park we have been working over the last three years to develop a one day Horse Trials that not only produces top competition but is also an enjoyable day out for the whole family. We seem to have been fairly successful with crowds of around 20,000 and next year we host the National UK Championships for the first time.

My hope here at Wandin Park is that by offering some of the experience that I've gained we can stage a Horse Trial that will attract and benefit the competitors, as well as making the sport more understandable and attractive to the public, so that the whole family can enjoy their day.

If we can succeed in making Wandin one of the outstanding events in the Australian Equestrian Calendar it will be a small thank you for all the hospitality and kindness I have received during my visits to Australia over the last few years.

I wish all those taking part every success and hope that you all thoroughly enjoy your day.

Welcome from Landrover

Phil Hovell, Managing Director — JRA Limited
(Distributors of Land Rover Products)

JRA Limited is delighted to be involved with the Wandin Park event and to again work closely with Captain Mark Phillips to develop the Equestrian Sport in Australia.

We all want to provide better opportunities for young Australian riders and the expertise that Captain Phillips brings to organising an event such as this is a major incremental benefit.

The Association of JRA Limited with Equestrian Events in Australia goes back some years now and we are proud of the

of the fact that this is the fourth year Captain Phillips and Australian Olympic Equestrian, Andrew Hoy of the Range Rover team, have conducted eventing clinics for us on behalf of the Equestrian Federation in all States.

JRA Limited sponsors many Equestrian events throughout Australia and we have recently announced the winner of the inaugural Range Rover Scholarship to provide advanced training in the

for a young Australian rider. We are committed to the scholarship for the next three years.

Our Association with the Equestrian Sports continues to grow and I hope that we can contribute realistically to the development of the sport.

RANCH

TRAILERS FOR SAFETY AND BETTER TOWING

Those who know choose Ranch Trailers for better towing, with the superior ride and safety of the Ranch Tandem Rocker Suspension. This heavy duty yet lightweight suspension allows 4 1/2 inches vertical wheel movement. The result is that Ranch Trailer wheels are equally weighted at all times, eliminating low bar pitching, sway and axle steer. For proof, ask any Ranch Trailer owner, or tow a Ranch Trailer for yourself and experience the safety and pleasure of the best-towing horse trailer.

In addition, those who are really concerned with the safety of their horses, choose Ranch Trailers for their securely bolted solid timber floors, either 1 1/2" Oregon from North America or 1 1/2" double hardwood. Ranch Trailers and plywood manufacturers strongly advise against the use of plywood as flooring for horse trailers. There is no substitute for the safety and

security of a Ranch Trailer fully bolted solid timber floor.

Ranch Trailers are not only safe and good looking, but are built to last with chassis and frame rustproofing and three coats of colour-matched acrylic enamel. Remember too, that Ranch Trailers build the largest range of chassis sizes and models. Ranch recognise that different breeds have different requirements in a horse trailer.

Ranch models include the popular lightweight Clubman double horse trailer for the smaller car with room for horses up to 16.2hh. The Craftsman 10'3" deluxe model for larger horses up to 17.2hh, with extra length and height, and now the "Q" model with an extra 6" width for the larger Quarter Horses. Additional custom built models include the 12'6" Expo and 3 and 4 horse models.

Wandin Park Horse Trials

This is the fourth of an annual Horse Trials Competition that the Committee intends to run. We are sure that it will become one of the most professionally run and prestigious Horse Trials competitions in Australia. Only the highest standards will be used in all phases of the competition, which can be seen already from the Cross Country course that has been built.

It is the aim of the Committee to increase public awareness and introduce as many people as possible to the exciting sport of eventing. The magnificent venue is close to Melbourne and right in the heart of a big tourist area which makes it ideal for the public to attend. It also provides the competitors with undulating country, creeks, dams and hills, all essential for "testing" the horse and rider. We would welcome any suggestions that you might have to improve the event and thank you for supporting today with your attendance.

RANGE ROVER TEAM

The aim of the Range Rover Team is twofold: competition success and to give considerable assistance towards the future of the sport. The encouragement and training which the Team gives to young riders ensures that they have every opportunity to become tomorrow's champions.

The Range Rover Team is headed by Australian Olympic Equestrian, Andrew Hoy.

He has led the team since its creation in 1982. The team has achieved huge success at home and abroad. Andrew Hoy has spent lengthy training periods at Gatcombe Park, home and eventing headquarters of Captain Mark Phillips. At the Los Angeles Olympics, Andrew recorded the best ride for Australia.

He is the key judge for the prestigious Range Rover Eventing Scholarship.
