

Welcome to the ULR ♦ LANDROVER WANDIN PARK HORSE TRIALS

As Australia's premier equestrian venue, Wandin Park provides the setting for an outstanding world class event.

The organisers of today's trials are particularly pleased to announce the continued participation of Capt. Mark Phillips.

Capt. Mark Phillips provides unrivaled expertise and skills in the design and construction of the famous Wandin Park course which is now regarded as one of Australia's finest equestrian locations.

The organisers are also pleased to welcome again Bill Roycroft - whose name has been synonymous with the sport in Australia. As Chief Steward, Bill's experience and practised 'eye' has proved a venerable asset to the annual Wandin Park Competition.

Previous visitors to Wandin Park, who are joining us again this year, will notice many major changes to the course all designed to raise the performance levels and spectator enjoyment. The improvements reflect Capt. Phillips' exacting attention to detail in creating an international equestrian showpiece.

Once again, the Wandin Park Horse Trials are enthusiastically sponsored by John Ayre and Gary Brill of ULR Motors - Landrover and Range Rover retailers of Malvern, Victoria. ULR, and Rover Group Australia which imports and distributes Land Rover and Range Rover vehicles, lend the Trial annual support and help ensure its continuing success.

Undoubtedly, Land Rover - UK's famous 4WD vehicles have become an integral part of the trials and ultimately contribute to the overall rewards one can enjoy by being part of the sport.

ULR Motors has had an association with Land Rover in Australia for 33 years. A similar long term success story awaits the Wandin Park Horse Trials which, this year, celebrates its eighth anniversary.

The Wandin Park Association extends its sincere thanks to all who have contributed to staging today's activities: officials, fence judges, vets, doctors and medical staff, competitors and many others who have worked tirelessly to ensure today's activities are a guaranteed success.

Should you require any assistance of any kind, an information centre is located adjacent to the main arena.

So, to the competitors - Good luck, and to our visitors - thank you for your support and enjoy yourselves!

BOTTLED
IN FRANCE

perrier

The Miracle of Perrier.

Deep below the plains and vineyards of Southern France, in a mysterious process begun over 100 million years ago, delicate gasses trapped in the volcanic eruptions of the Cretaceous Era are released by Nature.

As they rise, they meet and mingle with icy, crystalline mineral waters of exceptional purity and clarity.

There, underground and out of sight of Man, the phenomenon of Perrier's *natural carbonation* takes place. This is the miracle of Perrier.

And from there, the now sparkling waters continue their ascent to break the surface at a single spring. *Source Perrier.*

Perrier is *pure* Perrier. Bottled directly from Nature only at *Source Perrier*, Perrier contains no chemicals, preservatives, artificially induced gases, sweeteners, flavouring, chlorine

or additives of any type. And no calories.

It's taste is clean, crisp and refreshing.

And most important of all, because Perrier is naturally carbonated, it possesses a natural sparkle which is lighter, more refined and more delicate than any made by Man.

That is why Perrier is easily and quickly absorbed into the system and why many people, after engaging in strenuous athletic activity, find chilled Perrier to be instantly refreshing and thirst-quenching.

Perrier is a refreshing alternative to sugared and artificially sweetened soft drinks. And the accepted alternative to alcohol in social situations. It adds life to fruit juices. Adds "the sparkle of champagne" to fine wines. And is the finest mixer a drink could have.

Perrier: Naturally sparkling from the centre of the earth.

ULR ♦ LANDROVER
WANDIN PARK
HORSE TRIALS
SPECIAL ATTRACTIONS

Pony Club Team Games Championships:

There is plenty of action here with teams from Diamond Valley, Lilydale, Ringwood, Upper Yarra and Wyena competing. There will be four races - Bending, Flag and Barrel, Bat and Relay and Ride and Lead. Action starts at 12.15 pm in the main arena.

Dressage Display:

A real treat is in store for spectators when champion dressage rider Cherie Edmonds takes her 17 year old horse Royal Chant through his paces with the grace of a dancer. Cherie Edmonds and Royal Chant compete at Grand Prix level and will finish their performance with a dressage display to classical music. Commentary will be by Michael Lee.

Cross Country Runners:

Members of the Victorian Cross Country League will prove that what can be done on horseback can also be done on foot! They will be running around the Restricted Novice Cross Country Course negotiating each jump on the way. The race will start in the main arena at 1.45 pm

Young Event Horse Trophy:

This new event is for up and coming event horses aged 4 and 5 years. Sponsored by Saddle - Up the event consists of 4 sections run throughout the day in the main arena. For further details, see the Young Event Horse Trophy section in the program.

Sky Divers:

Four members of the Victorian Parachute Council will be jumping from 4000ft. and free falling to 2500 ft. during which time they will reach a speed of 160kmh. The lead parachutists will carry smoke flares and they will make their landing in the middle of the main arena.

Land Rover/Horse and Buggy Challenge:

Will the "horse drawn carriage" or the "horseless carriage" be the quickest through the cones in this precision driving competition? Some of our celebrities will try their hand at the Land Rover against the members of the Yarra Valley Harness Club in the Buggy.

Shetland Grand National:

A hotly contested race for our young riders on their Shetland ponies. The jumps consist of hay bales and the 'race track' is around the main arena. Stand Clear!

Harness Cross Country and Cone Driving:

Members of the Yarra Valley Harness Driving Club and affiliated clubs will provide a display of Cross Country Driving around the Wandin Park course. You will see singles, pairs and four - in - hand teams driven by some of Australia's best. In the Cone Driving in the main arena, it's a speed and accuracy test as horse and jinker negotiate 18 cones against the clock.

Freestyle Skiing Aerial Show:

This is a world first for any Horse Trial - a display of freestyle jumping with a double sommersalt and twists! Just east of the Quarry area, you will see a total of 5 different jump runs. Some of Australia's best skiers, including Kirstie Marshall our No. 1 skier, will wear regular skis and ski boots as they run down a synthetic slope, complete their aerials and land in a lake at the bottom of the run. You can watch the action from the Quarry area or take a stroll down near the 'L' of a Leap jump for a closer look. Displays will be at 1.45 pm and 2.30 pm.

Retriever Dog Display:

At 10.00 am, 12 noon and 2 pm hail a passing Land Rover courtesy vehicle for a ride down to the back lake where you will see members of the K.C.C. with their dogs put on a 'non-slip retrieving display'. Watch these superbly trained dogs retrieve their 'quarry' from the water.

Personality Showjumping:

Time for a little fun with our 'personalities' as they discover that showjumping is not as easy as it looks!

Classic Canines:

These 10 dogs and their handlers are real crowd pleasers. The competition covers agility and jumping with all shapes and sizes of dogs competing. There are time penalties as well as 'refusals' with the 5 best scores of the day in the 'jump-off'.

City of Dandenong Band:

For your enjoyment the band will be playing throughout the afternoon adjacent to the Country Fair.

THE SADDLE - UP WANDIN PARK YOUNG EVENT HORSE TROPHY

This is a new event for Wandin Park designed to encourage breeders and trainers to produce and present the correct type of young horse that is considered to be the best material to make a top eventing horse. The class is open to 4 and 5 year olds and the competition is divided into four sections with a different judge for each section.

SECTION 1: DRESSAGE Judge - Mr Michael Lee - 40% of score

Unlike a normal dressage test the judge does not assess individual movements and the judge may stand anywhere to be able to get the best view. The judge is looking at the potential of the horse and must discount the effect of the rider. Three correct, elastic and regular gaits through a swinging back are what is sought.

SECTION 2: JUMPING Judge - Ms Jenny Walker - 40% of score

The competitors proceed straight from the dressage ring into the jumping phase with only enough time to adjust stirrup length. Again, the judge is looking for potential and normal showjumping penalties do not apply. A horse with a fence down through inexperience may score higher than a weak horse that may rattle three, but jump clear.

SECTION 3: MOVEMENT IN HAND Judge - Mr Jim Slavin - 15% of score

The judge is looking at the conformation and movement of the horse.

SECTION 4: FINAL JUDGING Judge - Capt. Mark Phillips 5% of score

The highest placing six horses up to the end of section 3 are asked to show their paces, including the gallop, in the main arena.

WHY THE REAL MEN FROM SNOWY RIVER WEAR THE REAL DRIZA-BONE.

It's dark and bitterly cold and the rain is bucketing down. Your tractor's bogged and you're trying to drag stock to safety under your own steam.

The last thing you need right now is a coat that leaks.

Or one that cramps your movements because the maker has skimmed on fabric to save money.

But these are just a couple of the vital differences between a copy and a genuine Driza-Bone. And they're some of the things you won't discover in a shop.

You need to be out working to appreciate why a real Driza-Bone performs so much better than a coat designed for Pitt or Collins Street farmers, or itinerant movie stars.

The real Driza-Bone, as worn by

the real mountain men, had its genesis in the sailing ships that barrelled their way to Australia along the Roaring Forties.

Andrew Le Roy, an enterprising Scot, discovered that the ships' sails could be made into excellent wet weather gear, and they proved so efficient they were soon adopted by the colony's squatters and settlers.

The early linseed oil process has been replaced along the way with a more effective Driza-Bone oiling process which stops cracking and prevents the coats from going hard and stiff. It also stops them deteriorating when they're stored during hot summers.

With a genuine Driza-Bone the rain doesn't run into your boots.

And the fabric breathes, so you don't get wet from the inside out.

In fact the fabric, the cut of the cape, and the cotton lining, all work to prevent body heat condensation – a very uncomfortable, personal greenhouse effect.

Importantly, the fabric across the back and shoulders of a Driza-Bone is cut wide enough to allow you full freedom of movement.

Sleeves are

extra long and the reinforced elbow patches are strategically placed on the inside of the elbow, preventing the pools of water that naturally form there from seeping in.

And because Australian rain is often accompanied by G-force winds, the leg straps and front closure flap are designed to stop your Driza-Bone from taking off. All these reasons make it worth your while to go for a genuine Driza-Bone. They now come in two weights, the traditional and a lighter premium weight.

If you'd like to know more about the Driza-Bone range or your nearest stockist, call this toll free number (008) 773 800.

Incidentally, every Driza-Bone is made in the knowledge that real life's much tougher than the movies.

DRIZA-BONE®

The legend of the bush.

RMA001

INTRODUCTION TO HORSE TRIALS

Wandin Park Horse Trials is a One Day Event. In the world of eventing there are also Two Day and Three Day events.

There are three phases of competition in a One Day Event: Dressage, Cross Country and Showjumping, each requiring skills of thorough training, precision and boldness.

The horse must demonstrate the controlled discipline of the dressage test, yet be bold and possess the stamina to jump over 20 fences across 3km of the cross country course. He must then be able to show sufficient suppleness after the endurance test to complete a showjumping round cleanly.

The entire competition is scored on a penalty point basis with the horse and rider scoring the lowest number of penalty points winning the competition.

There are three different "classes" or levels of competition at Wandin Park Horse Trials.

The classes are:

RESTRICTED NOVICE
NOVICE
ADVANCED

The class entered depends on the horse's past performance with performance or grading points being accumulated with each placing in a competition. This ensures that horses with similar performances compete against each other.

DRESSAGE

The dressage test, lasting approximately seven minutes, is conducted on Saturday although a demonstration will be conducted in the main arena by Cherie Edmonds on Sunday at 1.00 pm and 4.20 pm.

In the Dressage test a series of set movements are executed and each one is marked by the judges, together with marks for general performance. During the dressage test, the judges look for the horse to move eagerly and energetically forward whilst remaining responsive to the rider's direction.

The dressage test is ridden in an arena 60 x 20 metres and the test must be executed from memory.

DRESSAGE TESTS

Restricted Novice:	EFA Test 1.5
Novice:	EFA Test 2.6
Advanced:	EFA Test 3.6

The penalty points incurred in the dressage are carried forward to the cross country and showjumping phases.

CROSS COUNTRY

Wandin Park has three separate courses, one for each section of competition. There are 20 fences in the Restricted Novice, 22 in the Novice, and 24 in the Advanced section. Penalties can be incurred in a number of ways.

PENALTIES:

1st refusal, run out or circle of horse at a jump	20 penalties
2nd refusal, run out or circle of horse at same jump	40 penalties

3rd refusal, run out or circle of horse at same jump	Elimination
Fall of horse and/or rider at jump	60 penalties
Third fall of horse, and/or rider at obstacle	Elimination
Error of course not rectified	Elimination
Omission of obstacle or boundary flag	Elimination
Re-taking of an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced period of 1 second in excess of time allowed	.4 penalty
Exceeding the time limit	Elimination

Competitors in the Novice and Advanced sections must carry 75kg in the cross country phase.

What is a refusal?

A horse is considered to have a refusal if it stops in front of the obstacle to be jumped. A stop, followed immediately by a standing jump, is not penalised. The horse may step sideways but if the horse steps back even a single pace, voluntarily or not, or if the halt is prolonged, this constitutes a refusal.

If a horse that has already stepped back once, is re-presented at the obstacle and halts or steps back a second time, or if the halt is prolonged and the competitor redoubles or changes his effort, still without success, this constitutes a second refusal and so on.

SHOWJUMPING

The jumping tests consists of one round with obstacles no higher than:

Restricted Novice:	1.15m
Novice:	1.15m
Advanced	1.20m

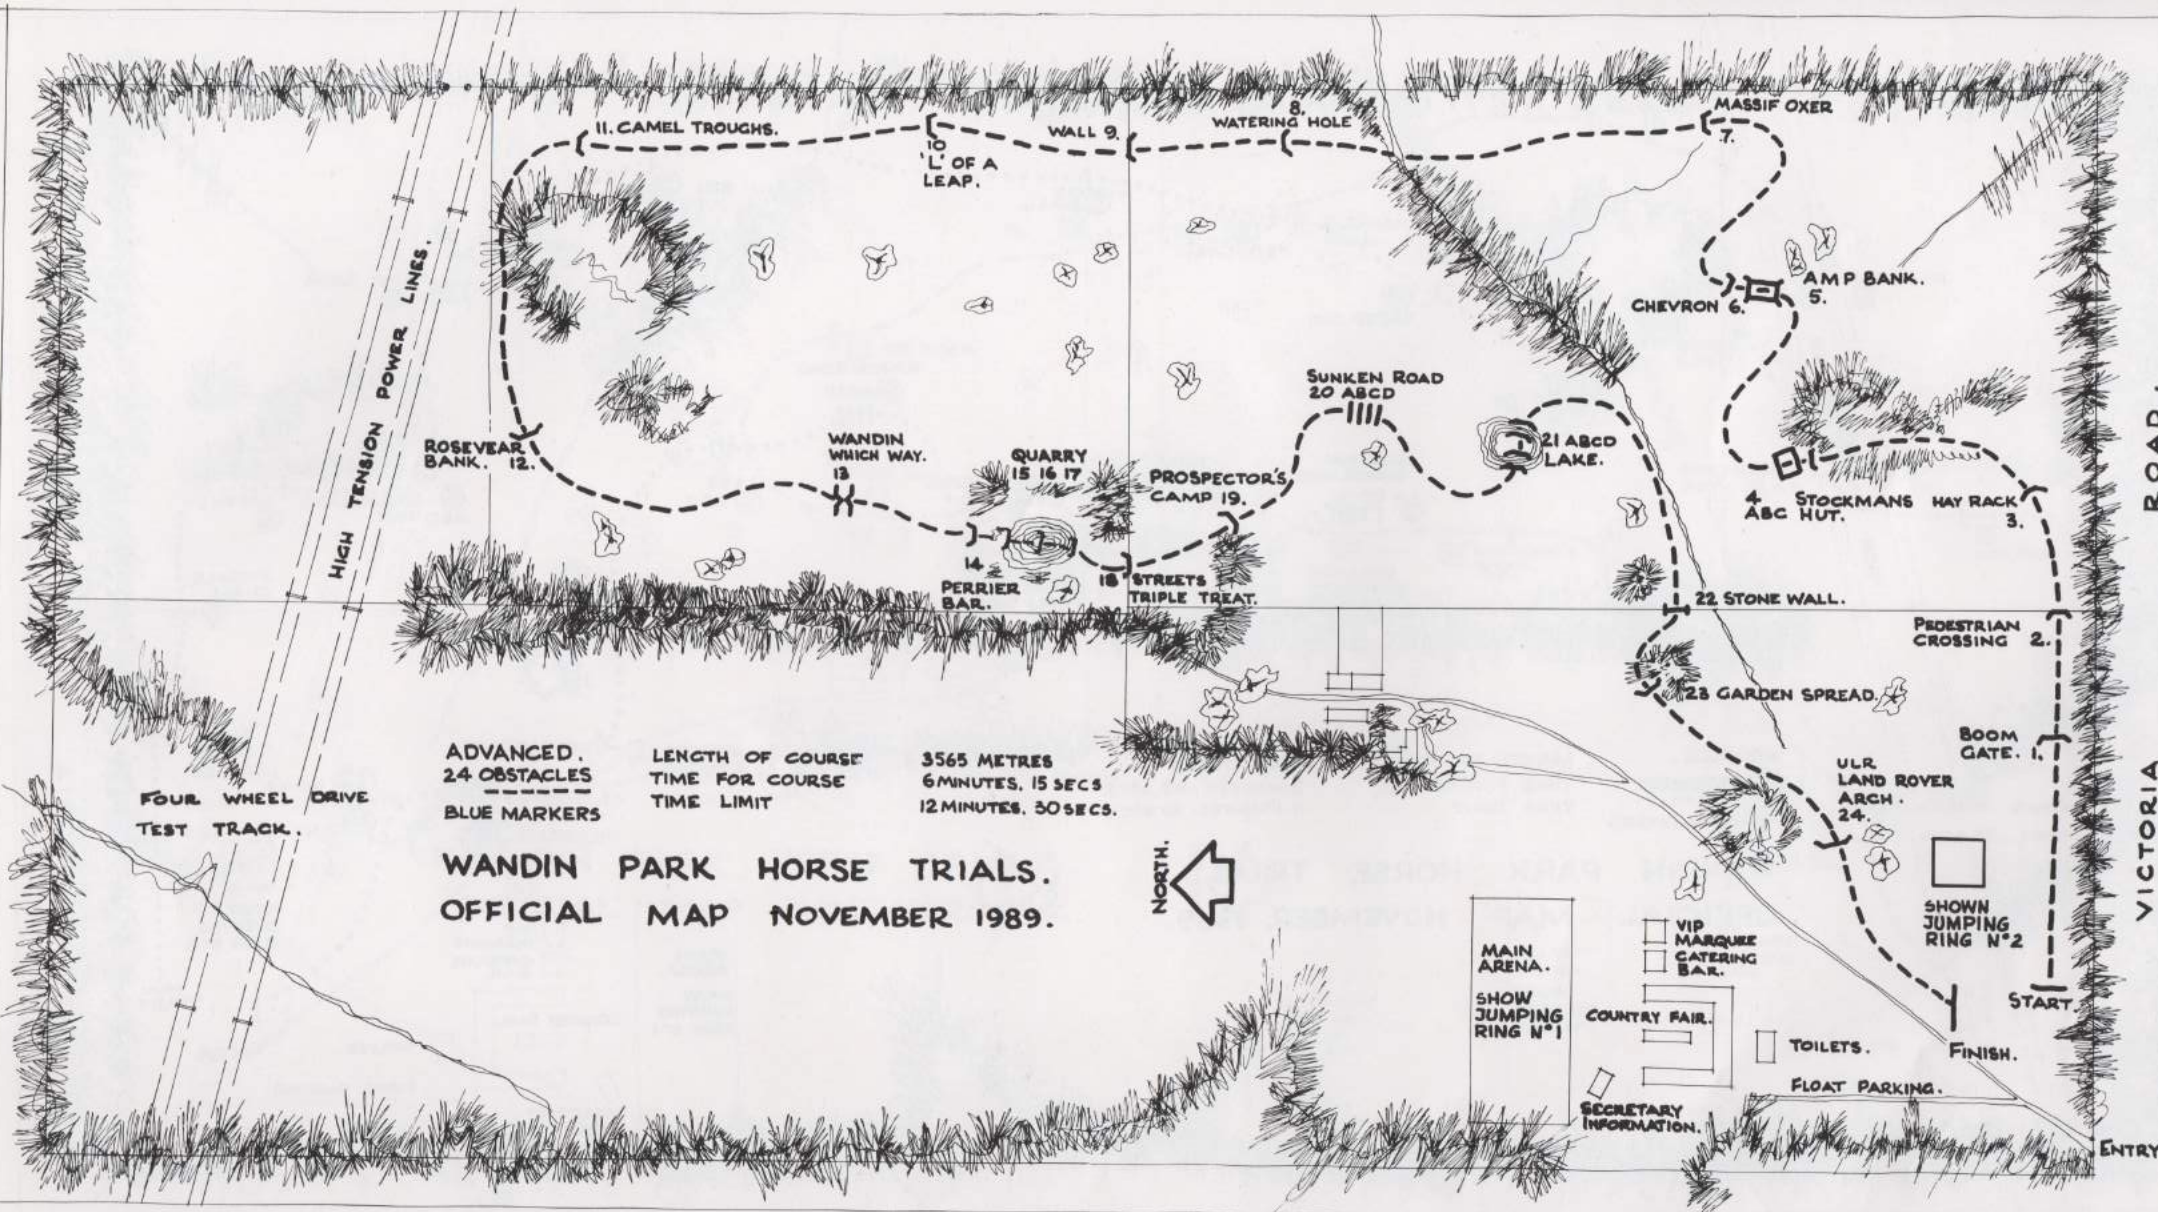

The test must be carried out at the following speeds

Advanced:	400mpm
Novice:	350mpm
Restricted Novice:	300mpm

Penalties have been changed effective 1st January 1989, and are now as follows:

PENALTIES:

First disobedience	10 penalties
Knocking down an obstacle	5 penalties
Second disobedience in the whole test	20 penalties
Third disobedience in the whole test	Elimination
First fall of horse and rider	30 penalties
Second fall of horse or rider	Elimination
Error of course not rectified	Elimination
Retaking an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced second in excess of the time allowed	.25 penalties
Exceeding the time limit (which is twice the time allowed)	Elimination

The Crosby Legend -

Great saddles from the Crosby master craftsmen, who are famous for their faithful dedication to the time-honoured traditions of fine English saddle-making... and in creating ahead-of-the-moment designs that become legends in leather for generations of riders.

Dressage

Designed by **Robert Dover**, the first American to win the Kür Freestyle Dressage Competition in Aachen in almost three decades. He says "from the moment you sink into the slightly softer, shallower seat of the revolutionary dressage saddle you are in control".

Lexington

Olympic Gold Medallist **Tad Coffin** recommends the Lexington TC "wholeheartedly to those riders looking for a top performance all-purpose saddle."

Prix de Nations

Listen to the world's leading jumping trainer, **George Morris**: "The Prix de Nations is the saddle for me. It's slightly deeper seat and more supportive cantle practically tell you how to ride and jump correctly."

CLEANING PRODUCTS

RINTAL + NEGUUVON + CARE

For a healthy, happy horse, free from worms and bots.

When you take good care of your horse, controlling bots and worms is a high priority. Fortunately, Bayer has a product that treats them both.

It's called Rintal plus Neguvon Paste.

Rintal plus Neguvon is an exclusive combination of two active ingredients, febantel and trichlorfon, both developed by Bayer research. Together, they fight bots and susceptible worms, resulting in a healthy and happy horse that looks and performs better.

Your horse deserves the best treatment. The love that only you can give, and Rintal plus Neguvon Paste from Bayer

Bayer 

® Rintal + Neguvon is a trademark of Bayer A.G. Leverkusen, Germany.

AMADEUS

A Dynamic new company specializing in top quality musical instruments
for musicians at reasonable prices.

Our company has recently been fortunate enough to secure the agency for the full range of Blüthner pianos in Australia. They have been leaders in their field in Europe for 135 years. We are delighted that now, Australian musicians, teachers and students will have access to the same superb quality that their colleagues overseas have had for generations - a quality which is not in any way reflected by the prices.

The name Blüthner is synonymous with fine craftsmanship combined with the latest technical knowledge and exact workmanship. The modern company is headed by the great grandson of Julius Ferdinand Blüthner who established the company in Leipzig in 1835.

The complete range of Blüthner pianos plus other fine musical instruments - violins, violas, cellos, flutes, piccolos and clarinets to name a few, are of an elegance of design and perfection of performance without parallel.

If you are interested in acquiring outstanding instruments please contact us for a catalogue or for further information.

Flutes:

"Philipp Hammig" model 666/6R. Totally new model using the latest flute technology. Solid silver "E" Mechanism G/A trill.

Violins:

"Werner Barth"

one of the top contemporary masters in Germany, completely handmade, finest old seasoned wood.

"Eckhardt Richter"

considered to be the finest maker in the world.

Cellos:

"Johannes Rubner"

best German maker of this quality instrument. Professional quality instrument, finest selected tone woods and careful workmanship.

Viola, Violin &
Cello Bows:

H.R. Pfretzschner. World famous maker. Paulus Bows from the best bow maker in Europe.

Piano Stools:
"Lanzani"

adjustable Italian stools, black buttoned leather.

GENERAL CONDITIONS - WANDIN PARK HORSE TRIALS

- These Horse Trials will be conducted under the E.F.A. Combined Training Rules for Horse Trials 1983 and the amendments since that date.
- LIABILITY.** Neither the Organising Committee nor the Equestrian Federation of Australia accept any liability for any accidents, damage, injury to horses, owners, riders, grooms, officials, spectators, ground or any other person or property whatsoever.
- RESERVATION.** The organisers reserve the right
 - to cancel any class or event
 - to divide any class
 - to alter the advertised times
 - to refuse any entry, with or without stating the reason
 - to alter the horse's class within its grading
 - to combine any classes.
- FORBIDDEN ASSISTANCE.** Outside assistance is forbidden, under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is considered forbidden assistance. Similarly it is forbidden for a competitor to join or accept a lead from another. It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course.
Catching a loose horse, helping the rider to adjust his saddlery or to remount after a fall is permitted. In such a case, the course must be resumed at the exact spot at which it was interrupted.
Whether or not a competitor has received forbidden assistance will be decided by the E.F.A. Steward.
- All dogs must be kept on leads at all times.
- PRESENTATION OF PRIZES.** The prizegiving will take place at the conclusion of the event. All placegetters must present themselves correctly attired and mounted for presentation of prizes.

Washed the car lately?

For thirty-three years, we at ULR have specialised solely in Land Rover and Range Rover.

At our one location, we have a vast selection of new and used models from which to choose, plus a large fully equipped workshop with staff who will expertly attend to all your needs.

With the largest stock of spare parts and accessories anywhere in Australia, ULR is unique in its ability to offer complete sales and service for these "often imitated – never bettered" prestige marques.

So don't take the chance of being left without a paddle – come to Victoria's only true specialists.
