

I ALWAYS GET TO THE TOP MY WAY.

Life is a series of ups and downs. The successful amongst us just have more ups than the rest.

But it's how you get to the top that's so important. The 1993 Range Rover makes it easier than ever before.

Electronic Air Suspension provides five different ride heights (for the ups and downs in life).

Pressurised air chambers at each wheel are linked to computer-controlled height sensors, automatically levelling the vehicle and providing the optimum setting for a variety of driving conditions, on and off road.

At over 80kmh, the body automatically drops 20mm to reduce roll, improve aerodynamics and lower fuel consumption.

It can kneel at rest to allow easy access and loading. It can raise itself for extreme off road travel and wading.

And there's even an emergency 'walk-out' feature should the vehicle become grounded.

But EAS also contributes towards Range Rover's unequalled levels of refinement.

It eliminates all metal to metal contact between the body and the suspension which, together with a new soundproofing package, has reduced interior noise levels by half.

In fact the 1993 Range Rover offers an uncompromised standard of luxury that makes driving a sensible but pampered experience. To work. Or to weekends.

As well as being quieter than before, it has more powerful headlamps with power wash, even more loadspace, and a more comfortable back seat. It includes many of life's little necessities such as cruise

control, remote control central locking, 10 disc CD player and anti-theft alarm as well as the safety of advanced four channel ABS brakes.

For those requiring a little more, the Vogue SE adds the luxury of soft Connolly leather and burled walnut, electrically-controlled front seats and sunroof, and an enhanced stereo system with coaxial speakers, sub-woofer and a speaker amplifier (giving even a better sound than your home hi-fi perhaps).

While the addition of Electronic Traction Control is a world-first on an off-road vehicle.

But for even more Range Rover, we offer the new LSE. Complete with EAS, ABS and ETC, this ultimate Range Rover has an extra 200mm in the wheelbase providing the ultimate in space, comfort and luxury.

It is for the very few that have arrived at the top or the few who are about to make it. Their way.

SPECIAL ATTRACTIONS Main Arena Commentary: Jill Sinclair and Hugh Coleby

Young Event Horse Trophy:

9.00am

This special event is sponsored by Saddle-Up and designed to encourage breeders and trainers developing event horses of the future. The details of the competition are covered more completely on the next page, but competitors are judged in sections covering dressage, conformation and showing of the paces (all completed on Saturday). The final phase of Showjumping is presented in the main arena commencing at 9am Sunday.

FEI Quadrille:

10.00am

This unique team, sponsored by Mulders, consists of four of Victoria's top dressage combinations. They combine to present dressage to music at its very best. Each of the riders compete at FEI level and today combine many of those advanced dressage movements into their display. The riders are:

Lee Bray - Prince Gust

Rodney Graig - New Chum

Gail Brundrett - Mulyan Mykonos

Philippa Hails - Tulyard Razeel

There are two opportunities to see this outstanding display.

10.00am and 12.45pm. Not to be missed!

Pony Club Team Games Championship:

10.30am

There is plenty of action to be seen when the defending Champions, Wyena, will take on teams from Yarrambat (No. 1 team), Macclesfield, Upper Yarra and Yarrambat (No.2 team) when they compete for the Noble Perpetual Trophy. There will be four races - Bending, Flag and Barrel, Bat and Relay and Ride and Lead. These are the five finalists of competitions between Pony Clubs around the zone. Action starts at 10.30am in the main arena.

Parade of Advanced Horses:

11.30am

An opportunity to acknowledge the finest event horses in Australia as they parade prior to their Showjumping.

Advanced Showjumping:

12noon

This year, Showjumping for the Advanced horses will be held before their cross country. The Wandin showjumping course is again designed by Mr Leeson Sirett an international course designer who has designed courses at the famous Hickstead course in the UK for 17 years.

Shetland Grand National: Heats

1.15pm

A hotly contested race for our young riders on their Shetland ponies. Months of training go into the preparation of these horses. The jumps consist of hay bales and the 'race track' is around the main arena. Come and see the action- heats at 1.15pm and final at 2.00pm.

Harness Horse Display:

1.30pm

Carriage driving is a growing sport in Australia and the parade will be conducted today by members of the Yarra Valley Harness

Driving Club. They will be conducting a Combined Driving Event at Wandin Park today. Please refer to the Cross Country map for details.

Vaulting Display:

1.45pm

Vaulting will be an unfamiliar discipline for many Australians, although it is very popular in Europe. Vaulting is one of the 6 disciplines Australia will be represented in at the World Equestrian Games in The Hague in July 1994.

Pal Super Dogs:

2.15pm

Pal Super Dogs were formed in 1984. The team of 12 dogs give an outstanding display of agility and jumping. They compete over a series of obstacles incurring 'faults' similar to showjumping. From the German Shepherd to the Cairns Terrier Cross, these canines are great crowd pleasers. Look for them in the main arena at 2.15pm.

Intermediate Showjumping:

2.30pm

This is a new class for Wandin, introduced particularly for horses going on to Melbourne 3 Day Event (November 18-21. 1993). These horses are the stars of tomorrow and it makes it an interesting challenge to pick the talent. Showjumping height in this class is 1.15metres.

Cross Country Runners:

2.45pm

This is a popular event at Wandin Park each year as the members of the Victorian Cross Country League cover the same course as the Advanced horses. Over the jumps and through the water - whatever the horses do, so too do the cross country runners. The race starts at 2.45pm immediately following the Advanced horses

Victorian Light Horse Ceremonial Regiment:

4.00pm

Led by Lt. Col L.S. O'Toole the eight members of the Light Horse portray an important part of Australia's history. Their display, all performed to music, is non-stop action with bayonets, lances and swords drawn. The Light Horse are frequently seen at formal military occasions and we are honored to have them at Wandin.

Presentation of prizes:

4.30pm

Congratulations to all placegetters and well done to each of our 300 competitors. The mounted presentation is a spectacular conclusion to a busy day.

Land Rover Courtesy Vehicle:

All day

Tours of the Cross Country course are provided with the compliments of ULR Land Rover. Vehicles pick up from the area below the hospitality marquee.

WHY THE REAL MEN FROM SNOWY RIVER WEAR THE REAL DRIZA-BONE

It's dark and
bitterly cold
and the rain is
bucketing down. Your
tractor's bogged and you're trying

to drag stock to safety under your own steam.

The last thing you need right now is a coat that
leaks.

Or one that cramps your movements because
the maker has skimped on fabric to save money.

But these are just a couple of the vital
differences between a copy and a genuine
Driza-Bone. And they're some of the
things you won't discover in a shop.

You need to be out working to
appreciate why a real Driza-Bone
performs so much better than a coat
designed for Pitt or Collin Street
farmers or itinerant movie stars.

The real Driza-Bone, as worn by
the real mountain men, had its

genesis in the sailing ships that barrelled their way to
Australia along the Roaring Forties.

Andrew Le Roy, an enterprising Scot, discovered
that the ships' sails could be made into excellent wet
weather gear, and they proved so efficient they were
soon adopted by the colony's squatters and settlers.

The early linseed oil process has been replaced
along the way with a more effective Driza-Bone oiling
process which stops cracking and prevents the coats
from going hard and stiff. It also stops them
deteriorating when they're stored during hot
summers.

With a genuine Driza-Bone the rain doesn't run
into your boots.

And the fabric breathes, so you don't get wet from
the inside out. In fact the fabric, the cut of the cape,
and the cotton lining, all work to
prevent body heat

condensation - a very
uncomfortable, personal
greenhouse effect.

Importantly, the
fabric across the back
and shoulders of a
Driza-Bone is cut
wide enough to allow
you full freedom of
movement.

Sleeves are extra

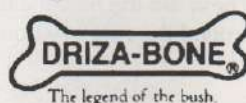

long and reinforced elbow patches are strategically
placed on the inside of the elbow, preventing the pools
of water that naturally form there from seeping in.

And because Australian rain is often accompanied
by G-force winds, the leg straps and front closure flap
are designed to stop your Driza-Bone from taking off.
All these reasons make it worth your while to go for a
genuine Driza-Bone. They now come in two weights,
the traditional and a lighter premium weight.

If you'd like to know more about the Driza-Bone
range or your nearest stockist, call this toll free
number (008) 773800

Incidentally,
every Driza
Bone is made
in the
knowledge
that real life's
much tougher
than the
movies.

SADDLE-UP.. WHERE QUALITY IS CREATED ON THE PREMISES BY SCOTT & KEVIN MAYNES

THE SADDLE - UP YOUNG EVENT HORSE TROPHY

First introduced to Wandin Park in 1989, this event continues to grow in popularity. The event is designed to both recognise and encourage breeders and trainers in producing the correct type of young horse that is considered to be the best material to make a top eventing horse.

The class is open to 4 and 5 year olds and the competition is divided into four sections with a different judge for each section.

SECTION 1: DRESSAGE Judge - Ms Mary Jane Crabtree - 25% of total score **Saturday 11.00am** - Young Event Horse Ring

Unlike a normal dressage test the judge does not assess individual movements and the judge may stand anywhere to be able to get the best view. The judge is looking at the potential of the horse and must discount the effect of the rider. Three correct, elastic and regular gaits through a swinging back are what is sought.

SECTION 2: SHOWING OF PACES Judge - Mr Brian Schrapel - 25% of score **Saturday 2.30pm** - Young Event Horse Ring

The judge asks each rider to show their horse's paces including the gallop.

SECTION 3: MOVEMENT IN HAND Judge - Mr Wayne Roycroft - 25% of total score **Saturday 4pm** - Young Event Horse Ring

The judge is looking at the conformation and movement of the horse.

SECTION 4: JUMPING Judge - Mr Wayne Roycroft - 25% of score **Sunday 9am** Main Arena

The judge is looking for potential and normal showjumping penalties do not apply. A horse with a fence down through inexperience may score higher than a weak horse that may rattle three, but jumps clear.

INTRODUCTION TO HORSE TRIALS

Wandin Park Horse Trials is a One Day Event. In the world of eventing there are also Two Day and Three Day events.

There are three phases of competition in a One Day Event: Dressage, Cross Country and Showjumping, each requiring skills of thorough training, precision and boldness.

The horse must demonstrate the controlled discipline of the dressage test, yet be bold and possess the stamina to jump over 20 fences across 3km of the cross country course. He must then be able to show sufficient suppleness after the endurance test to complete a showjumping round cleanly.

The entire competition is scored on a penalty point basis with the horse and rider scoring the lowest number of penalty points winning the competition.

There are four different "classes" or levels of competition at Wandin Park Horse Trials.

The classes are:

- JUNIOR
- RESTRICTED NOVICE
- NOVICE
- INTERMEDIATE
- ADVANCED

The class entered depends on the horse's past performance with performance or grading points being accumulated with each placing in a competition. This ensures that horses with similar performances compete against each other.

DRESSAGE

In the Dressage test a series of set movements are executed and each one is marked by the judges, together with marks for general performance. During the dressage test, the judges look for the horse to move eagerly and energetically forward whilst remaining responsive to the rider's direction.

The dressage test is ridden in an arena 60 x 20 metres and the test must be executed from memory.

DRESSAGE TESTS

Junior EFA Test 1D
 Restricted Novice: EFA Test 1D
 Novice: 1992 FEI one star test
 Intermediate: 1992 FEI two star test
 Advanced: 1990 FEI three/four star test

The penalty points incurred in the dressage are carried forward to the cross country and showjumping phases.

CROSS COUNTRY

Wandin Park has three separate courses, each designed by Capt. Mark Phillips. A recent change to the rules now counts jumping efforts rather than the number of fences in determining the test for horse and rider. In Junior and Restricted Novice there are 25 jumping efforts within 22 cross country fences. Novice there are 30 jumping efforts (23 fences). Intermediate there are 28 jumping efforts (25 fences) and Advanced 32 jumping efforts (25 fences). Penalties can be incurred in a number of ways.

PENALTIES:

1st refusal, run out or circle of horse at a jump	20 penalties
2nd refusal, run out or circle of horse at same jump	40 penalties
3rd refusal, run out or circle of horse at same jump	Elimination
Fall of horse and/or rider at jump	60 penalties
Second fall of horse, and/or rider at obstacle	Elimination
Error of course not rectified	Elimination
Omission of obstacle or boundary flag	Elimination
Re-taking of an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced period of 1 second in excess of time allowed	.4 penalty
Exceeding the time limit	Elimination

Competitors in the Intermediate and Advanced sections must carry 75kg in the cross country phase.

What is a refusal?

A horse is considered to have a refusal if it stops in front of the obstacle to be jumped. A stop, followed immediately by a standing jump, is not penalised. The horse may step sideways but if the horse steps back even a single pace, voluntarily or not, or if the halt is prolonged, this constitutes a refusal.

If a horse that has already stepped back once, is re-presented at the obstacle and halts or steps back a second time, or if the halt is prolonged and the competitor redoubles or changes his effort, still without success, this constitutes a second refusal and so on.

SHOWJUMPING

The jumping tests consists of one round with obstacles no higher than:

Junior & Restricted Novice: 1.05m

Novice: 1.10m

Intermediate: 1.15m

Advanced: 1.20m

The test must be carried out at the following speeds

Advanced: 400mpm

Intermediate: 350mpm

Novice: 350mpm

Junior & Restricted Novice: 300mpm

Penalties have been changed effective 1st January 1989, and are now as follows:

PENALTIES:

First disobedience	10 penalties
Knocking down an obstacle	5 penalties
Second disobedience in the whole test	20 penalties
Third disobedience in the whole test	Elimination
First fall of horse and rider	30 penalties
Second fall of horse or rider	Elimination
Error of course not rectified	Elimination
Retaking an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced second in excess of the time allowed	.25 penalties
Exceeding the time limit (which is twice the time allowed)	Elimination

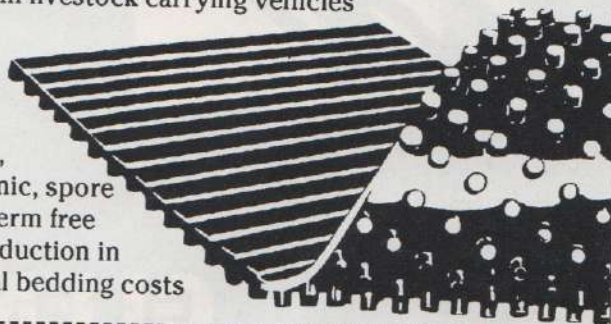

Special thanks to Melbourne Showjumping Club for use of their equipment and the members for their assistance.

CARRIAGE DRIVING

The Combined Driving Event will be staged by the Yarra Valley Harness Club. The event will consist of a Marathon and an Obstacle Course.

Marathon: This part of the event will run throughout the Sunday, and will test the fitness and stamina of the horse and will include four obstacles. The course will be driven once for classes 1-3 and twice for classes 4-9.

Obstacle Course: This part of the competition is designed to test the fitness, obedience and suppleness of the horse and skill of the driver. The combination are timed from the first part of the horse crossing the start and finish lines.

For enquiries about Carriage Driving, contact Robyn Brown, Secretary, Yarra Valley Harness Driving Club

ACKNOWLEDGEMENTS

The Wandin Park Horse Trials Committee gratefully express their thanks to John and Angela Anker for the use of their beautiful property "Wandin Park".
The committee would like to thank all the people who have given their services without whom the event would not be possible:

- ULR MOTORS as major sponsor and for supplying great assistance
- Gary Brill and John Ayre for their personal effort.
- 7-Eleven for sponsoring the Shetland Grand National.
- Lionel Wilson for providing plants.
- Yarra Valley Harness Club
- Ernie Hicks for organising Pony Club Teams races
- Bill Penrose of K Trials for assistance with computerised scoring
- K & S Waste for waste disposal equipment
- Project Photographics for donation of winners framed print.
- Melbourne Showjumping Club for additional showjumping equipment and their members for their support as judges and general assistance
- ROVER GROUP AUSTRALIA for sponsorship and assistance
- Saddle-Up for sponsoring the Young Event Horse Trophy.
- Mr Max Wilson for drawing the plan of Cross Country Course.
- Shire of Lilydale for use of caravan
- FEI Quadrille for Dressage display
- Walking Stick Club for manning gate and carpark
- Avenel Horse Trials for additional back numbers
- Consolidated Cleaning for cleaning services
- Shirley's Nursery for providing plants and flowers

GENERAL CONDITIONS - WANDIN PARK HORSE TRIALS

1. These Horse Trials will be conducted under the E.F.A rules for official Horse Trials 1993 and the amendments since that date.
2. **LIABILITY.** Neither the Organising Committee nor the Equestrian Federation of Australia accept any liability for any accidents, damage, injury to horses, owners, riders, grooms, officials, spectators, ground or any other person or property whatsoever.
3. **RESERVATION.** The organisers reserve the right (a) to cancel any class or event (b) to divide any class (c) to alter the advertised times (d) to refuse any entry, with or without stating the reason (e) to alter the horse's class within its grading (f) to combine any classes.
4. **FORBIDDEN ASSISTANCE.** Outside assistance is forbidden, under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider

- or helping his horse, is considered forbidden assistance. Similarly it is forbidden for a competitor to join or accept a lead from another.
- It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course.
- Catching a loose horse, helping the rider to adjust his saddlery or to remount after a fall is permitted. In such a case, the course must be resumed at the exact spot at which it was interrupted.
- Whether or not a competitor has received forbidden assistance will be decided by the E.F.A. Steward.
- 5. All dogs must be kept on leads at all times.
- 6. **PRESENTATION OF PRIZES.** The prizegiving will take place at the conclusion of the event. All placegetters must present themselves correctly attired and mounted for presentation of prizes.

SOME WILL, SOME WON'T

Very few horses will reach their full potential and end up as champions. Foals should be given every opportunity to realise their potential, because it takes more than good bloodlines to make a champion.

Optimum performance does not come easily.

Speed, endurance, continuing good health and improved all-round performance are what EQUIMEC® is designed to help you deliver through better control of parasites.

Whether you are a breeder, owner or trainer, if producing top horses matters to you, use EQUIMEC® in a regular parasite control programme.

A black and white photograph of two horses running towards the camera in a grassy field. The horse on the left is a light-colored foal with a white blaze on its face and white markings on its legs. The horse on the right is a darker-colored horse, possibly a yearling or adult, also running. The background is a blurred field with some trees or structures in the distance.

WHY DOES MATT RYAN RIDE IN A WINTEC?

Because like Karen Dixon, Isabel Werth, Jennie Loriston-Clarke, Andrew Nicholson and Carl Hester who also ride in Wintec saddles, he insists on the finest equipment at the highest level of competition.

Matt uses the new Wintec Pro Classic Eventing saddle (R/R \$775) and the new Bates Elastic Girth. Have your saddle fitted by the specialists at Horseland Ringwood and Melbourne Showgrounds.
