The Yarra Glen and Lilydale Hunt Club is based in the Yarra Valley. They own a beautiful property on the Melba Highway in Coldstream, and hunt in the Yarra Valley and throughout the Yea district. They were the champion Hunt Club this year at the Royal Melbourne Show, winning the section fours and the trio jumping events. The Club runs a number of social functions throughout the year and participates in invitation weekends away to beautiful areas

like the Western District, Mansfield and Murray Valley. Jodhpurs are laid aside for ball gowns once a year at the famous Lilydale Yarra Open Hunt Club Ball. Fantastic friendships are formed through Hunting, the club is a real community. For membership enquiries phone Andrew Hosier 9844 1237 BH; 98579300

They will also be on display from 12.30pm onwards today in the Country Fair area, adjacent the main arena.

## **Sporhorse Massage**

**2.40pm**

massage therapy is an ancient, natural and safe therapy that encourages the body to function as it should. Pre-event massage warms up the muscles effectively, significantly reducing the chance of muscle damage. Less warm up time is needed thereby saving the horse's energy. Today we have a demonstration of horse massage by qualified equine massage therapists from "Sporhorse Massage". They will be in the Country Fair area all day today to talk to you about horse massage and answer any questions you may have.

## **Intermediate Showjumping:**

**3.00pm**

This class was introduced to the Wandin program for the first time in 1993. It is designed particularly for horses going on to compete at the Melbourne International 3 Day Event in two weeks time. The horses are the stars of tomorrow and it makes it an interesting challenge to pick the talent. Showjumping height for Intermediate horses is 1.15metres.

She also provides a "Pony rides" service at corporate functions. The ponies are dressed up according to the occasion, and over christmas they will be adorned with bells, bows, antlers, hats and beards. (not necessarily in that order!) Today however they are race horses, so get set for the Grand National.

Welcome to the Wandin Park Horse Event and Country Fair. This year we are privileged to once again host the National One Day Event Championships. Due to the significant changes in the national eventing calendar, this will be the last One Day Event held in November at Wandin Park. 1997 sees the introduction of a Two Day Event to be held here on the first weekend in December and an even bigger One Day Event will be held on the third weekend in March 1998.

As you walk the course over this magnificent property, please take note of the many sponsors who have once again offered their support to this event. Without the keen interest shown by them, it would not be possible to organise an event such as this. We all owe a large thank you to all our sponsors.

To organise and run an event such as this requires the help of many committed volunteers. I would like to place on record my thanks to the over 300 peoples who once again volunteered their help this year.

Please do enjoy this event and I look forward to seeing you all again in 1997.

Bob Adams  
President, Wandin Park Association Inc.

## Section 1 - THE SADDLE - UP YOUNG EVENT HORSE TROPHY

First introduced to Wandin Park in 1989, this event continues to grow in popularity. The event is designed to both recognise and encourage breeders and trainers in producing the correct type of young horse that is considered to be the best material to make a top eventing horse.

The class is open to 4 and 5 year olds and the competition is divided into four sections with a different judge for each section.

**SECTION 1: MOVEMENT IN HAND** Judge - Mr Ian Stark 25% of total score

**Saturday 1.00pm - Ring 8**

The judge is looking at the conformation and movement of the horse.

**SECTION 2: DRESSAGE** Judge - Mrs Mary-Jane Crabtree 25% of total score

**Saturday 2.15pm - Ring 8**

Unlike a normal dressage test the judge does not assess individual movements and the judge may stand anywhere to be able to get the best view. The judge is looking at the potential of the horse and must discount the effect of the rider. Three correct, elastic and regular gaits through a swinging back are what is sought.

**SECTION 3: SHOWING OF PACES** Judge - Mr Andrew Hoy 25% of score

**Saturday 2.20pm**

Young Event Horse Ring

The judge asks each rider to show their horse's paces including the gallop.

**SECTION 4: JUMPING** Capt. Mark Phillips 25% of score

**Sunday 10.00am Main Arena**

The judge is looking for potential and normal showjumping penalties do not apply. A horse with a fence down through inexperience may score higher than a weak horse that may rattle three, but jumps clear.

# INTRODUCTION TO HORSE TRIALS

Wandin Park Horse Trials is a One Day Event. In the world of eventing there are also Two Day and Three Day events.

There are three phases of competition in a One Day Event: Dressage, Cross Country and Showjumping, each requiring skills of thorough training, precision and boldness.

The horse must demonstrate the controlled discipline of the dressage test, yet be bold and possess the stamina to jump over 20 fences across 3km of the cross country course. He must then be able to show sufficient suppleness after the endurance test to complete a showjumping round cleanly.

The entire competition is scored on a penalty point basis with the horse and rider scoring the lowest number of penalty points winning the competition.

There are six different classes of competition at Wandin Park Horse Trials. The classes are:

- JUNIOR PRE-NOVICE
- PRE-NOVICE
- JUNIOR NOVICE
- NOVICE
- INTERMEDIATE
- ADVANCED

The class entered depends on the horse's past performance with performance or grading points being accumulated with each placing in a competition. This ensures that horses with similar performances compete against each other.

## DRESSAGE

In the Dressage test a series of set movements are executed and each one is marked by the judges, together with marks for general performance. During the dressage test, the judges look for the horse to move eagerly and energetically forward whilst remaining responsive to the rider's direction.

The dressage test is ridden in an arena 60 x 20 metres and the test must be executed from memory.

DRESSAGE TESTS:	Advanced:	FEI three star/four star 1995
	Intermediate:	FEI two star 1992
	Novice:	2.5
	Pre-Novice:	1.4
	Junior Novice:	2.5
	Junior Pre Novice:	1.4

The penalty points incurred in the dressage are carried forward to the cross country and showjumping phases.

## CROSS COUNTRY

Wandin Park has four separate courses, each designed by Capt. Mark Phillips. A recent change to the rules now counts jumping efforts rather than the number of fences in determining the test for horse and rider. In Junior and Pre-Novice there are 25 jumping efforts over 22 cross country fences. Novice there are 30 jumping efforts (24 fences). Intermediate there are 31 jumping efforts (25 fences) and Advanced 37 jumping efforts (29 fences). Penalties can be incurred in a number of ways.

### PENALTIES:

1st refusal, run out or circle of horse at a jump	20 penalties
2nd refusal, run out or circle of horse at same jump	40 penalties
3rd refusal, run out or circle of horse at same jump	Elimination
Fall of horse and/or rider at jump	60 penalties
Second fall of horse, and/or rider at obstacle	Elimination
Error of course not rectified	Elimination
Omission of obstacle or boundary flag	Elimination
Re-taking of an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced period of 1 second in excess of time allowed	.4 penalty
Exceeding the time limit	Elimination

### What is a refusal?

A horse is considered to have a refusal if it stops in front of the obstacle to be jumped. A stop, followed immediately by a standing jump, is not penalised. The horse may step sideways but if the horse

steps back even a single pace, voluntarily or not, or if the halt is prolonged, this constitutes a refusal.

If a horse that has already stepped back once, is re-presented at the obstacle and halts or steps back a second time, or if the halt is prolonged and the competitor redoubles or changes his effort, still without success, this constitutes a second refusal and so on.

## SHOWJUMPING

The jumping tests consists of one round with obstacles no higher than:

Junior & Pre-Novice:	1.05m
Novice:	1.10m
Intermediate:	1.15m
Advanced:	1.20m
The test must be carried out at the following speeds	
Advanced:	400mpm
Intermediate:	375mpm
Novice:	350mpm
Junior & Pre-Novice:	300mpm

### PENALTIES:

First disobedience	10 penalties
Knocking down an obstacle	5 penalties
Second disobedience in the whole test	20 penalties
Third disobedience in the whole test	Elimination
First fall of horse and rider	30 penalties
Second fall of horse or rider	Elimination
Error of course not rectified	Elimination
Retaking an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced second in excess of the time allowed	.25 penalties
Exceeding the time limit (which is twice the time allowed)	Elimination

# A WORLD LEADER IN MINERALS AND MINING

CRA is part of the RTZ-CRA Group which has operations in over forty countries. The Group's interests cover copper, iron ore, coal, titanium dioxide feedstock, aluminium, gold, diamonds, salt and other minerals.

CRA is proud to be a sponsor of the Australian One Day Event Championships.

# At ULR, we never lose sight of why you're really calling.

We accept that out here, our multi-million dollar undercover Land Rover centre, with 38 customer parking spots, 31 service bays, 16 loan cars, service 6-days a week and the largest spare parts holding in the country tend to get a little forgotten. Which is just fine; it's the way it should be.

However, we also accept that this sort of escape doesn't just happen. Which is why, over the past 40 years of specialist Land Rover experience, we have developed the facilities the envy of other dealers.

Knowledge, experience, service, back-up, 4WD tuition, finance, insurance and genuine history. They're the cornerstones that make ULR Australia's biggest and most celebrated Land Rover Centre - but they never overshadow the reason you called in the first place; to escape all this.

So whether it's Defender, Discovery or Range Rover, or the best choice in used vehicles, a small trip to ULR can lead to a journey you'll never forget.
