### **President's Welcome**

*Welcome to the 1997 Wandin Park Horse Event and Cherry Festival. This year we play host to the Australian Open. We also welcome a new course designer to Wandin, Mr Mike Etherington-Smith. Mike comes to us with a very long list of major course designs from around the world, and he is the Cross Country course designer for the Sydney 2000 Olympics. I look forward to a long and happy relationship with Mike.*

*The Cherry Festival is a new innovation for Wandin, but I believe if we can introduce the sport of eventing to a wider group of spectators only good can come of this. I would like to draw your attention to the many number of sponsors of this event and would ask that you support them wherever possible.*

*To organise and run an event of this magnitude, it is only possible with the help of a dedicated committee and a huge number of committed volunteers, and I would like to record my sincere thanks to each and every one of them.*

*Please do enjoy this event, and I look forward to seeing you all again in 1998.*

*Bob Adam  
President, Wandin Park Association Inc.*

## Section 1 - FARNAM YOUNG EVENT HORSE TROPHY

First introduced to Wandin Park in 1989, this event continues to grow in popularity. The event is designed to both recognise and encourage breeders and trainers in producing the correct type of young horse that is considered to be the best material to make a top eventing horse.

The class is open to 4 and 5 year olds and the competition is divided into four sections with a different judge for each section.

**SECTION 1: MOVEMENT IN HAND** Judge - Mr Brian Schrapel 25% of total score **Saturday 1.15pm - Ring 5**

The judge is looking at the conformation and movement of the horse.

**SECTION 2: DRESSAGE** Judge - Mr Malcolm Barnes 25% of total score **Saturday 2.30pm - Ring 5**

Unlike a normal dressage test the judge does not assess individual movements and the judge may stand anywhere to be able to get the best view. The judge is looking at the potential of the horse and must discount the effect of the rider. Three correct, elastic and regular gaits through a swinging back are what is sought.

**SECTION 3: SHOWING OF PACES** Judge - Mrs Mary-Jane Crabtree 25% of score **Saturday 2.50pm**

The judge asks each rider to show their horse's paces including the gallop.

Young Event Horse Ring on flat

**SECTION 4: JUMPING** Mr Mike Etherington-Smith 25% of score **Sunday 9.30am Main Arena**

The judge is looking for potential and normal showjumping penalties do not apply. A horse with a fence down through inexperience may score higher than a weak horse that may rattle three, but jumps clear.

# INTRODUCTION TO HORSE TRIALS

Wandin Park Horse Trials is a One Day Event. In the world of eventing there are also Two Day and Three Day events.

There are three phases of competition in a One Day Event: Dressage, Cross Country and Showjumping, each requiring skills of thorough training, precision and boldness.

The horse must demonstrate the controlled discipline of the dressage test, yet be bold and possess the stamina to jump over 20 fences across 3km of the cross country course. He must then be able to show sufficient suppleness after the endurance test to complete a showjumping round cleanly.

The entire competition is scored on a penalty point basis with the horse and rider scoring the lowest number of penalty points winning the competition.

There are five different classes of competition at Wandin Park Horse Trials. The classes are:

- JUNIOR PRE-NOVICE
- PRE-NOVICE
- JUNIOR NOVICE
- NOVICE
- AUSTRALIAN OPEN

The class entered depends on the horse's past performance with performance or grading points being accumulated with each placing in a competition. This ensures that horses with similar performances compete against each other.

## DRESSAGE

In the Dressage test a series of set movements are executed and each one is marked by the judges, together with marks for general performance. During the dressage test, the judges look for the horse to move eagerly and energetically forward whilst remaining responsive to the rider's direction.

The dressage test is ridden in an arena 60 x 20 metres and the test must be executed from memory.

DRESSAGE TESTS:	Aust. Open:	FEI three star/four star 1995
	Novice:	3.1
	Pre-Novice:	2.2
	Junior Novice:	3.1
	Junior Pre Novice:	2.2

The penalty points incurred in the dressage are carried forward to the cross country and showjumping phases.

## CROSS COUNTRY

Wandin Park has three separate courses, designed by Mike Etherington-Smith. A recent change to the rules now counts jumping efforts rather than the number of fences in determining the test for horse and rider. In Junior and Pre-Novice there are 24 jumping efforts over 21 cross country fences. Novice there are 29 jumping efforts (23 fences), and the Australian Open, 34 jumping efforts (27 fences). Penalties can be incurred in a number of ways.

### PENALTIES:

1st refusal, run out or circle of horse at a jump	20 penalties
2nd refusal, run out or circle of horse at same jump	40 penalties
3rd refusal, run out or circle of horse at same jump	Elimination
Fall of horse and/or rider at jump	60 penalties
Second fall of horse, and/or rider at obstacle	Elimination
Error of course not rectified	Elimination
Omission of obstacle or boundary flag	Elimination
Re-taking of an obstacle already jumped	Elimination
Jumping obstacle in wrong order	Elimination
For every commenced period of 1 second in excess of time allowed	4 penalty
Exceeding the time limit	Elimination

### What is a refusal?

A horse is considered to have a refusal if it stops in front of the obstacle to be jumped. A stop, followed immediately by a standing jump, is not penalised. The horse may step sideways but if the horse steps back even a single pace, voluntarily or not, or if the halt is prolonged, this constitutes a refusal.

If a horse that has already stepped back once, is re-presented at the obstacle and halts or steps back a second time, or if the halt is prolonged and the competitor redoubles or changes his effort, still without success, this constitutes a second refusal and so on.

## SHOWJUMPING

## GENERAL CONDITIONS - WANDIN PARK HORSE TRIALS

1. These Horse Trials will be conducted under the E.F.A rules for official Horse Trials 1995 and the amendments since that date.

2. **LIABILITY.** Neither the Organising Committee nor the Equestrian Federation of Australia accept any liability for any accidents, damage, injury to horses, owners, riders, groomers, officials, spectators, ground or any other person or property whatsoever.

3. **RESERVATION.** The organisers reserve the right (a) to cancel any class or event (b) to divide any class (c) to alter the advertised times (d) to refuse any entry, with or without stating the reason (e) to alter the horse's class within its grading (f) to combine any classes.

4. **FORBIDDEN ASSISTANCE.** Outside assistance is forbidden, under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is considered forbidden assistance. Similarly it is forbidden for a

competitor to join or accept a lead from another.

It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course.

Catching a loose horse, helping the rider to adjust his saddlery or to remount after a fall is permitted. In such a case, the course must be resumed at the exact spot at which it was interrupted.

Whether or not a competitor has received forbidden assistance will be decided by the E.F.A. Steward.

5. All dogs must be kept on leads at all times.

6. **PRESENTATION OF PRIZES.** The prizegiving will take place at the conclusion of the event. All placegetters from the Advanced, Novice and Pre Novice sections must present themselves correctly attired and mounted for the presentation of prizes.

## IT'S NOT LEGAL. BUT IT IS POSSIBLE.

For a Land Rover Discovery that is.

Because like all Land Rovers, the Discovery is built around a rigid box chassis specially engineered for strength and durability.

Couple that with a powerful V8 or turbodiesel engine and the Discovery is capable of towing up to 4000kg\*.

But there's more to this 4WD than pulling power. In fact the Discovery is several vehicles in one. It comes with all the comfort and features you'd expect in a family car, and a whole host of things you wouldn't.

Like a driving position designed to ensure exceptional all-round visibility, and the option of seven seats.

Add the extra safety of permanent 4WD, with a low centre of gravity that makes driving more stable, and you can do things you never thought possible. And from just \$39,990 you'll get around to doing them a lot sooner than you think.

Visit your local Land Rover retailer, see us at [www.rover.com.au](http://www.rover.com.au) or call 1800 809 308.

**DISCOVERY**

\*With approved towing equipment, excepting ABS equipped vehicles which are normally restricted to 3500 kg. All towing limits are subject to local State and Territory legislation. Price above excludes dealer and statutory charges. Alloy wheels optional extra. Finance and insurance products available from Land Rover Financial Services. STORES & PARTNERS/DEALERS

**At ULR, we never lose sight  
of why you're really calling.**

We accept that out here, our multi-million dollar undercover Land Rover centre, with 38 customer parking spots, 31 service bays, 16 loan cars, service 6-days a week and the largest spare parts holding in the country tend to get a little forgotten. Which is just fine; it's the way it should be.

However, we also accept that this sort of escape doesn't just happen. Which is why, over the past 41 years of specialist Land Rover experience, we have developed the facilities the envy of other dealers.

Knowledge, experience, service, back-up, 4WD tuition, finance, insurance and genuine history. They're the cornerstones that make ULR Australia's biggest and most celebrated Land Rover Centre - but they never overshadow the reason you called in the first place; to escape all this.

So whether it's Defender, Discovery or Range Rover, or the best choice in used vehicles, a small trip to ULR can lead to a journey you'll never forget.
