PRESIDENT'S WELCOME

On behalf of the Committee of the Wandin Park Association I welcome our sponsors: Deakin Financial Services, Domaine Chandon, RACV, International Animal Health Products, 7 Eleven and Skye Park Rugs. I also welcome all riders and spectators to this wonderful event, and wish all involved a successful weekend.

It is very pleasing to have the competitors' continued support, evidenced by the large number of entries.

An event of this size is only made possible by the valued assistance of so many enthusiastic people. The very future of our Association depends on volunteers. I am indeed grateful to all for the support shown over this weekend.

Our team of hard working and dedicated members of the Committee contribute many hours of voluntary service to the event, and I feel proud to work with them.

This is the second year that we will support Cystic Fibrosis Victoria. Donations made at the gate and all proceeds from the Country Fair and Freshman's Training will be donated to their cause. We were thrilled with the generous response at last year's event. I am sure that with your support, we will again be able to make a substantial donation to Cystic Fibrosis Victoria. I thank you for your generosity.

Finally, I would like to extend very special thanks to the owners of this magnificent property, "Wandin Park". John and Angela Anker continue to direct commitment, enthusiasm, and a huge number of hours of work every year to help make the Wandin Park Horse Event Australia's premier horse event.

Heather Dynes

HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness, and skills acquired by thorough training,

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump many cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Seven classes will be contested at the Wandin Park Horse Event 2002. The classes are: Advanced, Intermediate, Novice, Junior Novice, Pre Novice, Junior Pre Novice and the MecWORMA Young Event Horse. Horses are eligible to compete in each class depending on the number of performance points the horse has accumulated in recent competitions. This ensures that horses of similar performance compete against each other.

Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage test are ridden in a 20 x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

MECWORMA YOUNG EVENT HORSE Section 1

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

- Section 1 – Conformation, Saturday 10.00am, 'Red Menage'. Judge – Ms Kate Thompson
The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.
- Section 2 – Dressage, Saturday 12.30pm, Ring 7. Judge – Ms Jill Sinclair. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.
- Section 3 – Showing of Paces, Saturday 12.45pm. Judge – Ms Mary-Jane Crabtree.
All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.
- Section 4 – Showjumping, Sunday 9.00am, Main Arena Ring 2. Judge – Mr Nick Roberts. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.
