## PRESIDENT'S WELCOME

2004 marks the 25th year of eventing at Wandin Park!

I would like to welcome sponsors, competitors, past and present committee and spectators.

Over the years sponsors have been an integral part of our event. This year we thank R.A.C.V., Domain Chandon, Livamol, International Animal Health, Hygain, I.T. Resources and Maroondah Printing for their continued support.

My special thanks to John and Angela Anker for providing their beautiful property Wandin Park for the last 25 years. With their continued commitment to the sport of eventing. We look forward to many more years to come.

The success of an event is achieved not only by committee alone, but by the combined talent and endeavours of the many volunteers. Once again their enthusiasm has been outstanding.

I wish all those taking part in this years competition every success.

Heather Dynes  
President  
Wandin Park Association

## RUNVS

RUNVS, pronounced 'are you envious' but known at home as Sam, was one of Australia's most talented eventers. When he was put down in November 2003, as a result of colic, RUNVS was in preparation for the 4-star in Lexington, US and the 2004 Athens Olympics.

The 12 year old grey (by Stardraan out of Sandy Drive) was bought as a 3 year old for \$500 by Joanne Malloy, Jim Malloy, Rick Harrison and rider David Middleton.

Sam won every one day event in Victoria, including Wandin Advanced twice (2001 and 2002) and Tonimbuk Advanced twice, with several CIC\*\*\* and interstate one day events to his credit. He was also just 1 point away from being a B Grade showjumper and was never beaten in a jumpoff.

He was the 2003 Victorian State Eventing Champion at Advanced level and the Victorian Event Horse of the Year.

**Wandin Park, together with owner Jo Malloy present this year the inaugural 'RUNVS' trophy to the winner of the CNC\*\*\* CLASS**

# HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness, and skills acquired by thorough training,

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump many cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Six classes will be contested at the Wandin Park Horse Event 2004. The classes are: CIC\*\*\*/\*\*/\*, Pre Novice, Junior Pre Novice and the LIVAMOL Young Event Horse. Horses are eligible to compete in each class depending on the number of qualifying competitions achieved the horse has accumulated in recent competitions. This ensures that horses of similar performance compete against each other.

## Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage test are ridden in a 20 x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

# LIVAMOL YOUNG EVENT HORSE Section 1

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

- Section 1 – Conformation, Saturday 10.30am, 'Sand Arena'. Judge – Mr Dennis Heather  
The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.
- Section 2 – Dressage, Saturday 12.30pm, Ring 5. Judge – Ms Bev Shandley. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.
- Section 3 – Showing of Paces, Saturday 12.45pm. Judge – Ms Mary-Jane Crabtree.  
All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.
- Section 4 – Showjumping, Sunday 9.00am, Main Arena. Judge – Mr Howard Ward. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.

## Conditions – Wandin Park Horse Trials

- 1 These horse trials will be conducted under the EFA official rules for horse trials 1999, and any amendments since that date.
- 2 Neither the Organising Committee, the Wandin Park Association or the EFA accept any liability for any accidents, damage, injury to horses, owners, riders, grooms, officials, spectators, ground or any other person or property whatsoever.
- 3 The organisers reserve the right to (a) cancel any class or event (b) divide any class (c) alter the advertised times (d) refuse any entry with or without providing a reason (e) alter a horse's class within it's grading (f) combine any classes.
- 4 Outside assistance is forbidden under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is considered forbidden assistance. Similarly, it is forbidden for a competitor to join or accept a lead from another. It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course. Catching a loose horse, helping the rider to adjust their saddlery, or to remount after a fall, is permitted. In such cases, the course must be resumed at the exact place at which it was interrupted. Whether or not a competitor has received forbidden assistance will be decided by the EFA steward.
- 5 All dogs must be kept on leads at all times.
- 6 The prize giving will take place at the conclusion of the event. All placegetters from all classes must present themselves correctly attired and mounted for the presentation of prizes.

## I.T. Resources Group

Resource management is a lot like an equestrian event. You have your lineup of horses – the recruitment agencies – all ready to strut their stuff, and when the whistle blows, they all start the course on an equal footing. They must travel the same distance, traverse the same obstacles, and reach the same goal – meeting the needs of their clients by securing employment for a candidate and filling a vacancy for an organisation – by the same means.

But only a precious few are able to go all the way, and only one can reach the finish line in less time (and in a more spectacular fashion!) than the others. For the rest of them it is second place at best, the first of the losers. An unfortunate handful may fall and injure themselves and must be mercifully put down, as we have witnessed in recent years. Other times, new horses appear seemingly out of nowhere, prancing about and flaring their nostrils and heralding their own arrival. They are quickly put in their place by the more experienced steeds, those handsome thoroughbreds that do nothing but deliver the goods, time and time again.

IT Resources Group is a sure bet when it comes to permanent and contract recruitment for the IT and engineering industries. We don't pretend to be experts on everything like a lot of other recruiters. Instead, we are focused on and committed to our trade, and what we do we do very well. We're not all about flashing lights and fancy predictions: our curds and whey is consistent delivery to our clients, be they candidates or companies. And with over twelve years of solid performance to our name, we have earned ourselves first position as preferred supplier to the marketplace.

***IT AND ENGINEERING; CONTRACT AND PERMANENT RECRUITMENT.  
BECAUSE SOMEBODY HAS TO DO IT. PROPERLY.***
