PRESIDENT'S WELCOME

Welcome everyone to beautiful Wandin Park

Once again we have record entries with both Cross Country courses filled with action.

On behalf of the Wandin Park committee I welcome and give sincere thanks to our Sponsors. We are indebted to them for their support to our Event.

RACV Farm Insurance, Domaine Chandon, Pryde's EasiFeed, Stubben Australia, 7 Eleven, Happy Valley Equestrian Clothing, Skye Park Rugs, Maroondah Printing and Susie Aikmen Catering.

We also thank Lilydale Veterinary Centre for sponsoring their veterinary assistance over this weekend.

A special thanks to Upper Yarra Dog Training School for their display put on each year and to Maree Smith for once again supplying the Shetland's for the Grand National.

This year we are supporting The Yooralla Society of Victoria with donations from the gate entry and proceeds from the Trade fair and freshman's Cross Country & Showjumping.

Over past years we have supported various causes and have

been thrilled with the amount raised.

I am sure with your support we will be able to make a substantial donation to Yooralla. I thank you all for your generosity.

An Event this size can only be made possible by the valued support of so many enthusiastic people who willingly volunteer their time.

We are dependant on volunteers for the future of Eventing and I sincerely thank you all for your support.

Finally I would like to extend very special thanks to Angela & John Anker owners of 'Wandin Park'. We are indeed fortunate to be able to have this beautiful venue for our Events. I would like to thank John for the huge number of hours put in designing and organising this exciting course.

I wish all competitors good luck and an enjoyable weekend.

HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness, and skills acquired by thorough training.

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump many cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Seven classes will be contested at the Wandin Park Horse Event 2006. The classes are: CIC***/**/*, Pre Novice, Junior Pre Novice, Preliminary, Introduction and the Pryde's EasiFeed Young Event Horse. Horses are eligible to compete in each class depending on the number of qualifying competitions achieved the horse has accumulated in recent competitions. This ensures that horses of similar performance compete against each other.

Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage test are ridden in a 20 x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

PRYDE'S EASI FEED YOUNG EVENT HORSE Section 1

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

Section 1 - Conformation, Saturday 10.30am, 'Sand Arena'. Judge - Pam Davey.

The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.

Section 2 - Dressage, Saturday 12.30pm, Ring 6. Judge - Jan Colclough. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.

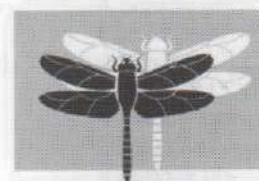

Section 3 - Showing of Paces, Saturday 12.45pm. Judge - Richard Mitton.

All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.

Section 4 - Showjumping, Sunday 9.00am, Little Wandin. Judge - Mr Howard Ward. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.
