## PRESIDENT'S WELCOME

On behalf of the Wandin Park organizing Committee, I welcome our Interstate and International Judges, Competitors and Visitors to our Easter Weekend Horse Trials.

I sincerely thank our Sponsors who have continued to support this Event over many years. RACV Farm Insurance, Pryde's EasiFeed, Stubben Australia, International Animal Health, Domaine Chandon, 7 Eleven, Maroondah Printing and Skye Park Rugs.

Special thanks go to the Upper Yarra Dog Training School for their display and Maree Smith for supplying the Shetland's for the Grand National.

The Young Event Horse Section, supported by Mec Worma International Animal Health has once again attracted entries of a high standard.

Last year was particularly hard for all competitors in most areas with the out break of Equine influenza in Australia. Events were cancelled, and horse movement restricted causing many riders and horses stranded in quarantine. Thankfully through all these efforts, Victoria is remaining clear of EI.

The Wandin Park Association is again this year supporting the Yooralla Society of Victoria with donations from gate entry and proceeds from the trade fair and freshman's Cross Country. Thank you all for your generosity in supporting this cause

The Wandin Park Committee has worked tirelessly to organize this Event. We are a small but enthusiastic group of Volunteers who enjoy the sport of Eventing.

I would like to thank all the volunteers who once again were prepared when called upon, to help in so many areas over the weekend.

The Committee is most grateful to Angela & John Anker for allowing us to continue to use their Wandin Park property.

My thanks to John for his time in preparing this exciting course.

I hope everyone has an enjoyable weekend.

Heather Dynes

President

Wandin Park Association.

# HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness, and skills acquired by thorough training.

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump many cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Seven classes will be contested at the Wandin Park Horse Event 2008. The classes are: CIC\*\*/\*\*/\*, Pre Novice, Junior Pre Novice, Preliminary, Introductory and the MecWorma Young Event Horse. Horses are eligible to compete in each class depending on the number of qualifying competitions achieved the horse has accumulated in recent competitions. This ensures that horses of similar performance compete against each other.

## Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage test are ridden in a 20 x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

- Section 1** - Conformation, Saturday 9.30am, 'Sand Arena'. Judge - Barry Roycroft.  
 The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.
- Section 2** - Dressage, Saturday 1.00pm, Ring 8. Judge - Caroline Coleby. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.
- Section 3** - Showing of Paces, Saturday 1.15pm. Judge - Richard Mitton.  
 All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.
- Section 4** - Showjumping, Sunday 9.00am, Little Wandin. Judge - Adam Wooton. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.
