PRESIDENT'S WELCOME

Welcome to the 2009 Wandin Park Event.

A special warm welcome to our International, Interstate and local Judges, Delegates, Stewards, Competitors and Visitors.

On behalf of Committee I sincerely thank our sponsors for having our sports best interest, and for supporting Eventing. The Young Event Horse Competition continues to attract an excellent number of quality entries and with the on going support from MecWorma International Animal Health Products this will certainly continue. Thankyou to Walter Vecchiet. I sincerely thank sponsors, RACV Farm Insurance, Stubben Australia, Pryde's EasiFeed, Domain Chandon, 7 Eleven, Maroondah Printing, Sky Park Rugs and two new sponsors Priority Partners and Yarra Valley Deli & Cafe.

The Cross Country course has had some changes with new challenging jumps. My thanks to John and his crew for this exciting course. On behalf of the committee I sincerely thank Angela & John Anker for the continued use of beautiful Wandin Park, and for their encouragement, support and

valued friendship.

I am sure you have all noticed the new dressage arenas, and our all purpose show jumping area which will be ready for our 30th year of Horse trials.

Next year we have plans to hold this event in late April to celebrate our 30th Anniversary date. We would like your feed back on this to determine if it fits in with your eventing season. Contact me over this weekend or call mob 0409355304. We would value your input.

To organize an Event requires the support of a dedicated committee and a huge number of committed volunteers; I thank you all for helping make this Event happen.

I look forward to another exciting weekend and wish all competitors an enjoyable time.

Conditions – Wandin Park Horse Trials

- These horse trials will be conducted under the EFA official rules for horse trials 1999, and any amendments since that date.
- Neither the Organising Committee, the Wandin Park Association or the EFA accept any liability for any accidents, damage, injury to horses, owners, riders, grooms, officials, spectators, ground or any other person or property whatsoever.
- The organisers reserve the right to (a) cancel any class or event (b) divide any class (c) alter the advertised times (d) refuse any entry with or without providing a reason (e) alter a horse's class within it's grading (f) combine any classes.
- Outside assistance is forbidden under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is considered forbidden assistance. Similarly, it is forbidden for a competitor to join or accept a lead from another. It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course. Catching a loose horse, helping the rider to adjust their saddlery, or to remount after a fall, is permitted. In such cases, the course must be resumed at the exact place at which it was interrupted. Whether or not a competitor has received forbidden assistance will be decided by the EFA steward.
- All dogs must be kept on leads at all times.
- The prize giving will take place at the conclusion of the event. All placegetters from all classes must present themselves correctly attired and unmounted for the presentation of prizes. 1st place horse to be presented.

HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness and skills acquired through training.

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump man cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Seven classes will be contested at the Wandin Park Horse Event 2009. The classes are: CIC***/**/*, Pre Novice, Junior Pre Novice, Preliminary, Introductory and the MecWorma Young Event Horse. Horses are eligible to compete in each class depending on the number of qualifying competitions achieved. This ensures that horses of similar performance compete against each other.

Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage tests are ridden in a 20m x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

D-Scour Paste

Give Scours the Ass!!

A concentrated multi-strain probiotic with garlic extract aiding in the treatment / control of scours in animals.

D-Scour Paste has been formulated to control scours through the combined action of selected natural live micro-organisms complemented by a natural yet powerful antimicrobial. The combination is synergistic as the antimicrobial portion does not affect the probiotic yet both components attack the animal's gut. This is particularly important when treating animals with enteric disease caused by E.coli, Rotavirus or Candida spp. and microbially mediated diseases of the uro-genital tract,

where for example, Candida albicans is implicated. Garlic has been used for its nutritional and medicinal properties for thousands of years but only recently have manufacturing processes been developed which protect and stabilize its important antimicrobial active.

D-Scour Paste does not contain any chemical or antibiotic component, just safe ingredients produced by Mother Nature. In contrast the antibiotics used to treat scours don't just kill target pathogens but destroy beneficial digestive bacteria as well.

If scouring persists consult your veterinarian.

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

- Section 1 – Conformation, Saturday 9.30am, 'Grass Area'. Judge – Bev Shandley.
The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.
- Section 2 – Dressage, Saturday 1.00pm, Ring 7. Judge – Catriona Corton. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.
- Section 3 – Showing of Paces, Saturday 1.15pm. Judge – Mary Jane Crabtree.
All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.
- Section 4 – Showjumping, Sunday 9.00am, Little Wandin. Judge – Howard Ward. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.

ELITE EQUINE VETERINARIANS

0412 619 740

Dr Kurt Enzinger has returned to the Dandenong Ranges and Yarra Valley area after almost three years away as an equine veterinarian. Kurt worked for Tatura Veterinary Clinic where he completed an intensive 2007 equine stud season. Here Kurt focussed on stud medicine (including frozen insemination) and surgery, and also incorporated racetrack practice and ambulatory work. Kurt then moved to work at the Ballarat Veterinary Practice Equine Clinic, one of the largest equine referral hospitals in Victoria. This Practice provided two specialist equine surgeons and an enormous caseload of patients to integrate and enhance knowledge and skills.

Now Kurt is back to provide a high level veterinary service to the area. Equine reproduction is Kurt's passion and he comes recommended as an inseminating veterinarian by International Horse Breeders. Kurt will be focussing on and offering all aspects of equine veterinary medicine, including lameness and surgery. In addition Kurt and Ruth will provide all farm animal veterinary services, from calving a cow to scanning an alpaca and everything in between.

Please feel free to contact **Dr Kurt Enzinger** as Elite Equine Veterinarians is available for consultations NOW!
