PRESIDENT'S WELCOME

Welcome to all our local, Interstate and international visitors judges & competitors Congratulations to all riders who have competed overseas, Interstate and locally. It is very encouraging to see so many here this weekend

On behalf of the Wandin Park organizing committee I sincerely thank the following Sponsors for continuing to support this fantastic Event. RACV Farm Insurance, Stubben Australia - International Animal Health- Wandin /Seville Community Bank- Pryde's EasiFeed- Equissage-Domaine Chandon- Horseland- 7Eleven - Maroondah Printing and Podgor.

Once again the Young Event Horse, supported by MecWorma International Animal Health has attracted entries of a high standard. Thank you to Kurt Enzinger for his Veterinary services over the weekend. Croydon Dog training School for their display, & Maree Smith for supplying the Shetlands for the Grand National.

You will have noticed this event we do not have a centre map in the program Max Wilson has hand drawn this map for every event over the past 33 year which is a unique feature to our Wandin Events. Unfortunately due to ill health Max is unable to produce the map this year. On behalf of committee I sincerely thank Max for his tireless effort over so many years. And we wish Max a return to good health

This event we are again supporting Yooralla with our gate entry, &

proceeds from the trade fare and 'freshman's' on Sunday. Thankyou all for your generosity.

I am especially grateful for all the support received from Committee members, who once again were willing to take up the challenge to make this Event another huge success. Sincere thanks to all our volunteers who have worked extremely hard to ensure the weekend runs smoothly, thank you so much for all your hard work and dedication.

With inspiration from UK designer Tony Symonds, this event we made changes to our cross country. UK builder Ben Cook has worked tirelessly for the past six weeks, assisted by Jarryd Stanley, to create the jumps for a new Preliminary and Introductory course. This course showcases an innovative course through new and exciting fences.

On behalf of the organizing Committee, my thanks to Angela & John Anker for donating their time and staff and equipment and use of their beautiful Wandin Park for our event, Also Willaim and Rebecca for working tirelessly setting up the course and helping where needed. Their enthusiasm and passion for eventing are evident here today. The grounds are beautiful and cross country courses both exciting and challenging.

I wish everyone an enjoyable weekend.

Heather Dynes, President Wandin Park Association.

HORSE TRIALS

The Wandin Park Horse Event is a one day event held over two days. In the world of eventing, there are also two and three day events.

A one day event has three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness and skills acquired through training.

The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump man cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round.

The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins.

Seven classes will be contested at the Wandin Park Horse Event 2010. The classes are: CIC***/**/*, Pre Novice, Junior Pre Novice, Preliminary, Introductory and the MecWorma Young Event Horse. Horses are eligible to compete in each class depending on the number of qualifying competitions achieved. This ensures that horses of similar performance compete against each other.

Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judges look for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction.

Dressage tests are ridden in a 20m x 60m arena. The rider must execute the test from memory.

Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases.

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

- Section 1 - Conformation, Saturday 11.00am, 'Grass Area' Judge Barry Roycroft.
The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.
- Section 2 - Dressage, Saturday 12.30pm, Ring 9. Judge - Sue Tufnell. A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.
- Section 3 - Showing of Paces, Saturday 12 noon. Judge - Margaret Sperrin.
All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.
- Section 4 - Showjumping, Sunday 9.30am. Judge - Mary-Jane Crabtree. The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.

War on Worms

WAR ON
WORMS

Choose Your
Weapons...

• MecWorm & Tape
• MecWorm & Bot

The importance of rotating wormers by active NOT by brandname has never been as important as it is today! Resistance is only a matter of time...

The active in MecWorm & Bot is a member of the "mectin" family while MecWorm & Tape Allwormer contains a mectin in combination with morantel. Worma Drench and Worma paste are members of the "BZ" family. Worma paste has a completely different additional active, piperazine, for extra firepower.

MecWorm & Tape Allwormer treats and controls tapeworms and is a broad spectrum allwormer. MecWorm & Bot is broad spectrum and controls seasonal bots.

Worma paste is broad spectrum and combats sensitive roundworms, pinworm, hairworms, stomach worm and strongyles, plus you can give a 2nd dose 48 hours later if migrating strongyles are a problem and reduce associated colic.

Worma Drench is a liquid formulation which can be administered in various ways (see label) and can be added to feed for those horses that prove difficult to worm.

All 4 products have a wide safety margin and are great value for money.
