Wandin Park Horse Event 2016

President's Welcome

Welcome to the 2016 CIC Wandin Park Event, our 36th year of Events, and once again a record number of entries.

A special warm welcome to our International, Interstate and local Judges, Delegates, Stewards, Designers, Competitors and Visitors. We especially welcome our officials from New Zealand FEI Technical Delegate Neil Mosley and his wife April, and Richard Massey FEI Cross Country Course designer.

We are indeed grateful for their assistance and expertise.

On behalf of the organizing Committee I sincerely thank our sponsors for continuing to make a vital and meaningful contribution to the sport of eventing.

The Young Event Horse Competition continues to attract an excellent number of quality entries and with the on going support from MecWorma International Animal Health Products, this will certainly continue. Thankyou to Walter Veccheit for his valued long-term sponsorship.

I sincerely thank Peter Stanley RACV Farm Insurance for 15 years of continued support.

Also Pryde's EasiFeed, Equissage, Domain Chandon, Wandin Seville Community Bank, 7 Eleven, Horseland Lilydale, Maroondah Printing, and our new sponsor Kentaur Saddlery. An exciting part of this years event is the introduction of the Australian/ Japan perpetual trophy challenge.

The Cross Country course has had some interesting and innovative changes, with all sections running on the main courses.

My thanks to our New Zealand course designer Richard Massey, John Anker and his crew for this exciting course.

On behalf of the committee I sincerely thank John & Angela Anker and family, for continuing to make Wandin Park available, and for their encouragement, support and valued friendship.

Their time put in, and volunteering staff and machinery equipment is greatly appreciated.

Once again this year we are supporting the Motor Neurone Disease Association of Victoria with donations from the gate entry and proceeds from the freshman's cross country and Trade Fair. Thank you all for your generosity in supporting this cause.

To organize an Event of this size requires the support of a dedicated committee and a huge number of volunteers; I thank you all for helping make this Event happen.

I look forward to another exciting weekend and wish all competitors a safe and enjoyable time.

Heather Dynes

President Wandin Park Association Inc.

Acknowledgements

The Wandin Park Event, is held over two days, with three phases of competition: dressage, showjumping and cross country. Each requires precision, boldness and skills acquired through training. The horse must demonstrate controlled discipline in the dressage test, yet possess the stamina to jump many cross country fences placed over a distance of approximately 3km. The horse must then be able to show sufficient suppleness after the endurance test to complete a clear showjumping round. The competition is scored on a penalty point basis, the horse and rider with the least penalty points wins. Ten classes will be contested at the Wandin Park Horse Event 2016. The classes are: CIC***/**/*, EA105, EA95, EA80, Training 2, Training 3, Training 4 and the MecWorma Young Event Horse.

Dressage

In the dressage test a series of movements are executed. Each movement is marked by the judges. Marks are also given for the general performance of the test. During the test, the judge looks for the horse that is moving eagerly forward whilst remaining responsive to the rider's direction. Dressage tests are ridden in a 20m x 60m arena. The rider must execute the test from memory. Penalty points accumulated in dressage are carried forward to the cross country and showjumping phases. Dressage Tests:

Conditions – Wandin Park Event

- These horse trials will be conducted under the EFA official rules for horse trials 1999, and any amendments since that date.
- Neither the Organising Committee, the Wandin Park Association or the EFA accept any liability for any accidents, damage, injury to horses, owners, riders, grooms, officials, spectators, ground or any other person or property whatsoever.
- The organisers reserve the right to (a) cancel any class or event (b) divide any class (c) alter the advertised times (d) refuse any entry with or without providing a reason (e) alter a horse's class within it's grading (f) combine any classes.
- Outside assistance is forbidden under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is considered forbidden assistance. Similarly, it is forbidden for a competitor to join or accept a lead from another. It is forbidden for a jump judge or official to call back or assist a competitor by directions to rectify an error of course. Catching a loose horse, helping the rider to adjust their saddlery, or to remount after a fall, is permitted. In such cases, the course must be resumed at the exact place at which it was interrupted. Whether or not a competitor has received forbidden assistance will be decided by the EFA steward.
- All dogs must be kept on leads at all times.
- The prize giving will take place at the conclusion of the event. All placegetters from all classes must present themselves correctly attired and unmounted for the presentation of prizes. 1st place horse to be presented.

The Young Event Horse class was first introduced to Wandin Park in 1989. The event is designed to recognise and encourage breeders and trainers who produce the type of young horse that is considered to be that which will make a top eventing horse. The class is open to 4 and 5 year old horses. The competition is divided into four sections. Each section has a different judge, and 25% of the total available marks are awarded in each section.

Section 1 – Conformation, Saturday 12.30pm, 'Sand Arena' Judge Sue Tuffnell.

The Competitor performs an in-hand work pattern. The Judge is assessing aspects of conformation, overall balance, athleticism and trainability of the Event Horse. Scores will be allocated to each of these aspects.

Section 2 – Dressage, Saturday 4.00pm Ring 1 Judge Nina Clarke.

A simple dressage test will be ridden in a 60 x 20m arena. The Judge will not mark individual movements, but will consider the overall performance of the horse. The Judge will also take into account the rider's influence on the horse's performance as it is the horse's not the rider's potential they are looking for. The horse should produce three correct, elastic and regular gaits through a swinging back.

Section 3 – Showing of Paces, Saturday 4.10pm adjacent to ring 1. Judge.

All horses are to be ridden and will be judged on their paces (including the gallop) and jumping a small cross-country (a single log). The judge will score this section based on paces suitable for eventing.

Section 4 – Showjumping, Sunday 9.00am. Judge – Mary-Jane Crabtree.

The jumping test is over a short course of about seven show jumping fences, no more than 90cm high. The test is designed to assess the horse's overall jumping performance and the judge will score on this basis, rather than conventional jumping penalties. A horse which knocks a fence down through inexperience may score higher than a horse with poor technique that jumps clear.

War on Worms

WAR ON WORMS

Choose Your Weapons...

• MecWorma & Tape
• MecWorma & Bot

The importance of rotating wormers by active NOT by brandname has never been as important as it is today! Resistance is only a matter of time...

The active in MecWorma & Bot is a member of the "mectin" family while MecWorma & Tape Allwormer contains a mectin in combination with morantel.

Wormer Drench and Wormer paste are members of the "BZ" family. Wormer paste has a completely different additional active, piperazine, for extra firepower.

MecWorma & Tape Allwormer treats and controls tapeworms and is a broad spectrum allwormer.

MecWorma & Bot is broad spectrum and controls seasonal bots.

Wormer paste is broad spectrum and combats sensitive roundworms, pinworm, hairworms, stomach worm and strongyles, plus you can give a 2nd dose 48 hours later if migrating strongyles are a problem and reduce associated colic.

Wormer Drench is a liquid formulation which can be administered in various ways (see label) and can be added to feed for those horses that prove difficult to worm.

All 4 products have a wide safety margin and are great value for money.
