Event Information

Our Date:

Saturday 23rd – Sunday 24th March, 2019

Our Location:

305 Victoria Road, Wandin North, Victoria, Australia. This event located on a purpose built equestrian property spread across 320 acres situated just 50 minutes east of the CBD in the heart of the Yarra Valley. The Yarra Valley is recognised as one of the best wine growing regions, and for the breathtaking scenery it provides.

Our Sport:

Eventing is the most complete combined competition discipline recognised by the Fédération Equestre Internationale (FEI). It is often known as the Triathlon of the equestrian world, a sport that tests both horse and rider in all aspects of horsemanship, and one of the 3 Olympic disciplines. Eventing originated as a military competition, which tested officers and horses in challenges that could occur on or off duty. It also provided a basis to compare training standards between the cavalries of different countries. The modern competition comprises dressage, jumping and cross-country over two days. The competitor rides the same horse throughout the three phases.

Our Event:

Wandin began as an event for juniors in 1981 and after the success of the competition; a second event for senior riders started in 1982. Wandin has attracted some of the world's top riders over the years with the likes of Andrew Hoy (AUS), Ian Stark (UK), Blyth Tait (NZ), and many more. Always striving for perfection Wandin has had course designers from all around the world, Captain Mark Phillips (UK), Mike Etherington-Smith (UK) (2000 Olympics course designer), Wayne Copping (AUS), Richard Massey (NZ) & Ewan Kellett (AUS)

In 1995 the Wandin Park Horse Trials became the first event in Australia to gain International One Day Event status (CIC).

Wandin Park combined the 2 events together in 2013 to be able to run one huge event that caters for everyone, a rare opportunity for grassroots riders to ride along Olympic hopefuls.

We have attracted a host of supportive and valued sponsors over the years with some companies being with us for over 20 years! This prestigious event is expected to attract the top eventers from all over Australia and one of the only events that have international competitors competing every year, Japan sends out 1-2 teams to take on an Australian team. At Wandin Park we will work closely with you to help you get the best brand exposure. Help us make Wandin Park International known as one of the best horse events in the world by sponsoring us today.
